Meet Our Chef

A North Carolina native, Cindel Boles joins the Tillery Tradition team as the Executive Chef. She grew up in Albemarle, North Carolina, with her parents, older sister and younger brother. An honors and magna cum laude graduate of Johnson & Wales University at Charlotte, Cindel received a Bachelor of Science in Foodservice Management in 2011 and an Associate of Science in Culinary Arts in 2009. During her tenure at Johnson & Wales Cindel started working at the Old North State Club with McConnell Golf to complete her externship. While working for McConnell Golf for five and a half years, Cindel gained experience with the ACC Golf Championship, the Wyndham Golf Championship, as well as large events including weddings. As she moved up the ranks to eventually landing in the Sous Chef position, Cindel fed her passion for the industry learning and growing as much as possible. While working at the Old North State Club she also met and married her husband. Alongside her career in the food industry she is a member of Canton Baptist Church and developed a love for baking.

Take some time and visit the Eagle's Nest for your next possible special event. Whether it is a Wedding, Rehearsal Dinner, Birthday Party or special event we would be delighted to customize our menus for your special needs and requirements.
